Laptop Battery How to replace your Laptop Battery?

1: Turn off your laptop and disconnect the AC adapter.

2: Release the latch or other attachment devices that hold your battery in place.

3: Slide the old battery out of its compartment or storage bay

4: Take the replacement battery for laptop out of the box.

5: Slide it into the notch or bay.

6: Close the safety latch to lock it into place.

7: Reconnect the AC adapter and give the new battery for your notebook a full charge.
