

Laptop Battery

How to disable the "Genuine Lenovo battery not attached" message?

1. Go to the Control Panel located in the Windows Start Menu.
2. Navigate to: ThinkPad Configuration > Power Manager > Power Scheme.
3. On the Power Scheme screen click "Options" and then uncheck the box with "Periodically show messages about battery charge capacity" and Click Ok.
4. Restart your laptop. On startup you will no longer receive pop-ups regarding battery compatibility
